- OCTEO/Deans' Compact Spring Conference (Brian Yusko, OACTE Chair-Elect)
Proposals NEEDED, a paragraph is sufficient.
Block of rooms at the Marriott have been booked, but there is a possibility for rooms at a good rate at the Embassy Suites. Advocacy Committee has further work to do regarding the whether to hold a Day on the Square or host legislator visits to individual campuses.
A conference topic of "Growing Your Enrollment" was suggested for the next OCTEO. This would include sessions on Educators Rising.

IV. Discussion Items

- Invitation from NCTQ for Deans' Meeting (Attached)
Larry Johnson (UC) and Joe Keferl (WSU) met with Tom Lasley from NCTQ. If there was an invitation for institutions to have a dialog with NCTQ – it could never be extrapolated as a SUED endorsement of NCTQ. Tom Lasley asked that a volunteer group of institutions meet with NCTQ to have a conversation. This meeting is scheduled for the first evening of the Deans Compact. There were questions from the SUED members about the purpose and proposed goals for such a meeting.
- SUED priorities for 2019-2020 (All)
 - o Ideas for Demonstrating Value and Relevance (Inviting Legislators for Campus Visits)
 - o Diversifying the Profession (Task Force Recommendations Attached)
- CAEP standard 3.2 requirements for writing portion of ACT and SAT (Dantley)
- Inviting Additional Stakeholders to Future SUED meetings (All)
- Other Issues?
