

We are  
**proud**  
of our  
**parents' service!**

Separations from a parent are **never easy**.  
"Gone is Gone"

Moving & changing schools means **academic challenges**.

Each of us **has a story**.  
Ask & Listen!

Over **40%** of us will enlist someday.

*A spectrum of things to consider about Military Kids*

Transitioning from **military to civilian** life is tough for kids, too.

We **thrive** with opportunities to **help** others.

We may be in a **caregiving** family with a parent who is wounded, ill or injured.

For those of us with special needs, transitions can be **complicated**.

Moving can be the **worst** thing & the **best** thing – caring adults **matter!**

We are **just kids**.

Our **first two weeks** at a new school are especially tough... pay **extra** attention!
